DIPLOMA IN HOTEL OPERATIONS / PASTRY AND BAKERY ARTS

Program designed for students whose main aim is fast track access to first employment within the pastry and bakery environments, with a baggage of hospitality knowledge that cover hotels' F&B operations, including guest contact, supervisory activities, management theories and state of the art applications. Although the program is conceptualized for students to progress within luxury hotels and resorts, customized attention will be provided for those participants who intend to work within small to medium size hotels, institutional operations, individual restaurants, or for students who may aspire to set up their own pastry and bakery operation.
