### **Orient Express Hotels, Trains and Cruises joins SHML as Preferred Partner**

**SHML**, Switzerland's first boutique hotel school, is committed to offer students a professional hospitality education based on the fundamentals of Swiss values of quality, safety, efficiency and precision. SHML is a Hotel Management School created by Hoteliers for Hoteliers!

SHML is delighted to announce that Orient Express Hotels, Trains and Cruises joins SHML as a Preferred Partner offering fantastic internship placements for students and great career opportunities for graduating students.

Orient-Express, the name behind an elite collection of travel experiences, first came into being in 1883 as one of the world's most exciting and indulgent train journeys. Today those same two evocative words also embrace hotels, cruises and other luxury rail adventures in 25 countries, across five continents.

The character of each Orient-Express property embraces the local culture, history and traditions, offering a unique and authentic experience. Orient-Express employees deliver exceptional service enhanced by local flair and charm and staff are encouraged to engage with the clients, sharing their knowledge and way of life. Orient-Express can provide an exceptional opportunity to work at different properties in diverse environments and cultures.

SHML is proud and delighted of this addition and we look forward to a fruitful cooperation.
