SHML signs a Managed Progression Agreement with the University of Gloucestershire

SHML, Switzerland's first boutique hotel school, is committed to offer students a professional hospitality education based on the fundamentals of Swiss values of quality, safety, efficiency and precision. SHML is a Hotel Management School created by Hoteliers for Hoteliers!

SHML has signed a managed progression agreement with the **University of Gloucestershire**, where students completing their three year Higher Diploma at SHML will have the opportunity to progress to the BA (Hons) in Strategic Hospitality Management.

The University of Gloucestershire is ranked in the top 8 UK universities for their Hospitality Faculty and in the top 3 for employability of their graduating students.

The UOG motto, in spirit and in truth, means turning visions into reality, and in the 21st century it sets its sights on improving life chances and challenges unsustainable thinking, as well as reducing its environmental footprint.

SHML is proud and delighted of this addition and we look forward to a fruitful cooperation.
