

Hansjörg Meier, General Manager of the GHM (General Hotel Management) Hotel, **THE SETAI SOUTH BEACH MIAMI** has recently visited SHML and personally selected our students Tom Bittersohl (from Germany), Pan I-Hsin (Cha-Cha Pan from Taiwan) and Andrea Placa (from Italy) for 12 and 18 month F & B Management Training Programs. This is an excellent opportunity for these students from Switzerland's first Boutique Hotel School.

We wish them a successful internship in Miami.
